Announcements

**When you come to school...
GREAT THINGS HAPPEN!**

Passing Period

Thank you to all teachers who are standing by your doors greeting your students as they enter your class. Great way to start each class!

Buildings are closed during lunch

Reminder to staff and students that all buildings are closed during lunch time. The J building and PE restrooms are open for student use.

Accelerated Reader

Students please bring your reading books each day. Choose a book you enjoy and dive into a great adventure!

Lunch

Please eat in the designated areas only and place your trash in the trash can.

Breakfast and Lunch Tickets

Students, please bring your lunch tickets if you have them. Those who need replacement tickets, go to the student cafeteria. **ALL students will eat for FREE this month even if you do not have your tickets yet.** There is no excuse not to eat! Please make sure you fill out the lunch application. We need 100% of our students to turn in those applications and then every student can eat for free. This is new to Wilmington Middle this year, everyone who turns in their applications will receive tickets for free breakfast and lunch.

TEACHERS & STAFF:

10 MINUTE RULE. Please observe the 10 minute rule and do not release students 10 minutes after the tardy bell and before the bell to the next class. Thank you for your support.

YEARBOOK PRESALE

Don't forget to purchase your yearbook for \$25 at the student store. Let students know they will receive a free dance ticket and a nameplate for their yearbook. Prices go up after this week.

Wilmington Middle School students shall become independent, self-reliant citizens who can set goals, create opportunities, and empower themselves to change their lives.
